# SCHNEIDER LIFT OBJECTS

SCHNEIDER LIFT FOR LIFTS & escalators contracting LLC holds high regard for safety, welfare and health of its employees. We believe that every employee is entitled to work under the safest possible condition preventions. All possible efforts will be made to prevent accident in all projects.

The Company is committed to implement the following Health and Safety policy: Identify and evaluate health risks related to its operations that potentially affect its employees, sub-contractors or the public. Implement programs and appropriate protective measures to control such risks, including appropriate monitoring of its potentially affected employees.

Determine at the time of employment and thereafter, as appropriate, the medical fitness of employees to do their work without undue risk to themselves or others. Provide or arrange for medical services necessary for the treatment of employee occupational illness or injuries and for the handling of medical emergencies.
